BIO

With over 25 years of experience as a creative and committed leader—in ad agencies, internal creative departments at some of the country's largest financial institutions like Union Bank, Wells Fargo and Wachovia, and 11+ years running his own ad agency—Steve has successfully produced everything from large integrated campaigns, UX Product Design, advertising, collateral and TV commercials, to direct mail, event marketing and digital/online media.

Through it all he has personally built and maintained strong, productive and deeply engaged teams.

He has also conceived complete re-brands while at Wells Fargo and Union Bank, fleshing out thousands of materials into the new look and brand voice.
